

IELTS Dates 2021

You can take an IELTS Academic or General Training test on **paper or on a computer** at one of our official venues.

Either way, you will be taking exactly the same IELTS test, with the same test content and structure. The only difference is that you can choose to type your answers or write them on paper – whichever suits you best.

With **computer-delivered IELTS**, you now have more test dates to choose from - and your **results will be available in 3-5 days**.

The following IELTS dates are available in Nicosia and Limassol and both paper based and computer based dates are shown.

To register for an IELTS test, you need to apply and pay online with your Visa or MasterCard at least three weeks before the test date here:

<https://www.britishcouncil.com.cy/exam/ielts/dates-fees-locations> .
